

ADEKANYE OYETAYO SAMUEL

Ojo, Lagos State, Nigeria | +234 903 804 5740 | adekanyesml@gmail.com

PROFESSIONAL PROFILE

Electrical & Electronics Engineering professional with practical experience in industrial maintenance, manufacturing operations, plant troubleshooting, equipment installation, preventive maintenance, and safety. Experienced with electrical panels, motors, VFDs, conveyors, cranes, transformers, and other production equipment. I have worked closely with mechanical and technical teams, supported trainees, kept maintenance records, and responded to equipment faults. I bring a hands-on approach to maintenance work, with strong attention to safety, teamwork, problem-solving, and reliable plant operation.

LEADERSHIP & TECHNICAL SKILLS

Electrical Maintenance • Preventive & Corrective Maintenance • Industrial Troubleshooting • VFD Installation & Motor Control • Electrical Panels & Control Systems • Plant Equipment Maintenance • Electrical Installation & Wiring • Transformer Monitoring • Maintenance Planning & Reporting • HSE & Risk Assessment • Lockout/Tagout • Team Coordination • Training & Mentoring • Spare Parts & Inventory • Logistics & Plant Operations • Fault Diagnosis

PROFESSIONAL EXPERIENCE

Premium Agrochemicals Limited — Ojo, Lagos

Electrical Maintenance Technician | 2023 – Present

- Carry out daily inspection, preventive maintenance, troubleshooting, and corrective repairs on electrical panels, motors, production machines, and plant equipment.
- Install, maintain, and troubleshoot VFDs, electric motors, and industrial electrical systems used in production.
- Monitor transformers and prepare maintenance and compliance reports.
- Respond to electrical faults and breakdowns, working to restore equipment safely and reduce downtime.
- Work with mechanical maintenance personnel during equipment repairs, plant upgrades, and facility expansion activities.
- Follow electrical safety procedures, risk controls, and maintenance practices during plant activities.

Stallion Nissan Motor Nigeria Ltd., Assembly Plant — Lagos

Electrical Technician & Logistics Officer | 2019 – 2023

- Maintained plant lighting, electrical panels, cranes, conveyors, and other electrical equipment used in the assembly plant.
- Performed inspections, troubleshooting, repairs, and preventive maintenance to support plant operations.
- Kept clear records of maintenance activities, repairs, and equipment faults for follow-up.
- Supported the training and supervision of industrial students and shared practical knowledge of plant electrical maintenance and safety.
- Supervised SKD vehicle offloading and managed spare-parts inventory and related logistics activities.

INDUSTRIAL ATTACHMENT / SIWES

Stallion Nissan Motor Nigeria Limited, Lagos

Electrical Engineering Intern | SEPT 2018 – SEPT 2019

- Completed 12 months industrial attachment as part of HND programme requirements.
- Assisted with maintenance of assembly-line equipment, including conveyors, cranes, and electrical panels.
- Documented maintenance activities and gained practical exposure to lean manufacturing processes.
- Received training in HSE, Lockout/Tagout, and electrical safety procedures.

EDUCATION

Higher National Diploma (HND), Electrical & Electronics Engineering — Upper Credit

Yaba College of Technology, Lagos | 2022

Ordinary National Diploma (OND), Electrical & Electronics Engineering — Upper Credit

Kwara State Polytechnic, Ilorin | 2018

Senior Secondary School Certificate Examination (SSCE)

Cherubim and Seraphim College, Ilorin | 2015

First School Leaving Certificate (FSLC)

St. James R.C.M, Sabo Oke, Ilorin, Kwara State | 2009

CERTIFICATIONS & TRAININGS

- **LASEPA Compliance Workshop for Industrial and Commercial Facilities** — Lagos State Environmental Protection Agency | **Aug 2026**
Theme: Operational Excellence: Data-Driven Compliance and Environmental Responsibility
- **LASEPA Compliance Workshop for Industrial Facilities** — Lagos State Environmental Protection Agency | **Aug 2025**
Theme: Regulatory Compliance for Sustainable Development
- **Health, Safety and Environment** — La Plage Meta Verse | **Nov 2024**
- **Introduction to Risk Assessment** — La Plage Meta Verse | **Nov 2024**
- **Industrial Training** — Stallion Nissan Nigeria Limited | **2018–2019**

TECHNICAL SKILLS

Electrical Systems: VFDs, electric motors, control panels, industrial wiring, motor control, electrical installations, transformer monitoring, cranes and conveyors

Maintenance: Preventive maintenance, corrective maintenance, inspections, fault diagnosis, troubleshooting, equipment reliability, maintenance documentation

Safety & Operations: HSE, risk assessment, Lockout/Tagout, safety compliance, technical reporting, team training, logistics and inventory management
