OBJECTIVES

To attain a position in an establishment that has merit, and where excellence is considerably valued so as to enhance my ability to make rational and incisive decision. To work in a competitive organization that offers challenges and career growth opportunities.

SELF DESCRIPTION

Dynamic, proactive, resourceful, always on task and capable of incorporating my ideas towards the achievement of the strategic goals of any organization in which I find myself. I am always curious by new challenges irrespective of their variables and types. I am sound and proficient in basic computer application required by a productive and result oriented environment.
