Dear Hiring Manager,

EMPLOYMENT OPPORTUNITY WITHIN YOUR ORGANIZATION

I would like to be considered for any employment opportunities within your organization as disclosed in my CV.

I have worked both in the administrative level and marketing sectors.

Through my work experience, I have developed leadership and communication skills, very competent effective team player. I have led various projects.

I have a keen interest in Administrative, Marketing, Supervising, Managing and Engineering. My understanding of this sector will benefit any organization. With my fluency both English and Yoruba languages will enable me understand possible challenges better and provide solutions that will benefit the organization and other stakeholders at large.

I understand that this opportunity is an exciting prospect that requires hard work, one which I am highly enthusiastic about. I would welcome the opportunity to build on my present experience and make any venture a success. I would be glad to meet you to discuss any position at your convenience. I look forward to hearing from you.

Yours sincerely,

OGUNMOLA AYOWOLE EBENEZER

CAREER OBJECTIVE

To secure an exigent position in a highly regarded and dynamic organization where my education, skills, knowledge, experience and interpersonal skills will be effectively utilized, aiming at job satisfaction and self-improvement, positively adding value towards achieving the ultimate and common goals and objectives.
