

# ADEBISI ABASS YINKA

Phone: 07043928592 | Email: adebisiabassyinka94@gmail.com  
Civil Engineer | Iwo, Osun State, Nigeria

## CAREER OBJECTIVE

Dedicated and motivated Civil Engineering graduate with practical industrial experience through SIWES and strong technical knowledge of AutoCAD. Committed to applying theoretical knowledge and practical skills in structural design, construction and project management to deliver reliable engineering solutions and contribute to organizational growth.

## PERSONAL DATA

**Full Name:** Adebisi Abass Yinka  
**Date of Birth:** 18th December, 2000  
**Sex:** Male  
**Marital Status:** Single  
**Place of Birth:** Iwo, Osun State  
**State of Origin:** Osun State  
**L.G.A:** Iwo  
**Nationality:** Nigerian  
**Phone Number:** 07043928592  
**Email:** adebisiabassyinka94@gmail.com

## EDUCATIONAL QUALIFICATIONS

|                                                                                              |             |
|----------------------------------------------------------------------------------------------|-------------|
| <b>Federal University of Technology, Minna</b><br><i>B.Eng. Civil Engineering</i>            | 2022 – 2026 |
| <b>Kwara State Polytechnic, Ilorin</b><br><i>National Diploma (ND)</i>                       | 2016 – 2018 |
| <b>Community Grammar School, Ogunjana</b><br><i>Senior Secondary Certificate (WAEC/NECO)</i> | 2016        |
| <b>DC School, Jagun Ode, Iwo</b><br><i>First School Leaving Certificate (FSLC)</i>           | 2010        |

## TECHNICAL SKILLS

- AutoCAD – Proficient in 2D drafting and civil engineering design
- Engineering drawing and technical documentation
- Knowledge of structural analysis and construction principles
- Basic understanding of civil engineering materials and safety standards

## WORK EXPERIENCE / INDUSTRIAL TRAINING

### Students' Industrial Work Experience Scheme (SIWES)

#### *Industrial Training Attachment*

- Gained practical exposure to real-world civil engineering work environments
- Applied classroom knowledge to construction processes and site operations
- Developed teamwork, problem-solving and workplace communication skills

## HOBBIES & INTERESTS

Reading, Technical drawing, Learning new software tools, and Continuous self-development.

## REFEREE
