

PROFESSIONAL SUMMARY

Results-driven and adaptable professional with over 5 years of multi-sector experience spanning chemical analysis, administrative operations and financial market analysis. Proven ability to work in fast-paced environments, solve complex problems, and deliver data-informed insights that improve decision-making and organizational outcomes. Adept in quality control, compliance, and technical analysis. Seeking to contribute to a forward-thinking organization that values integrity, innovation, and excellence.

EDUCATION

B.Tech (Hons.). Pure and Applied Chemistry, 2015

Ladoke Akintola University of Technology - Ogbomoso, Oyo State

WASSCE - West African Secondary School Certificate (WASSCE), 2010

Federal Government Girls' College – Ipetumodu, Osun State.

WORK HISTORY

iMARKETS LIVE (IML) – Financial Market Analyst

Lagos State, Nigeria. 2019 - Date

- Executing securities transactions using automated short-term trading systems.
- Analyzing market dynamics, including social, economic, and financial data, to guide trading decisions.
- Collaborating on best practices, strategies, and tactics for market execution and system optimization.
- Contributing innovative insights to enhance algorithms performance.

FARMFORTE (SPADES IN FRESHFORTE) – Data Input

Lagos, Nigeria. 2021-2022

- Entered and organized high-volume data with 99% accuracy.

- Provided data entry support across departments on an ad-hoc basis.
- Supported administrative tasks including filing, supply monitoring and printing.
- Maintained digital archives, performed regular validation, and ensured system backups.
- Compiled data reports for interdepartmental use.

ZAINOX VENTURES LIMITED – Quality Control Chemist

Oyo State, Nigeria. 2018

- Conducted chemical and physical analysis on raw water, in-process samples, and finished products to ensure compliance with quality standards.
- Assisted in the development and validation of analytical methods to ensure accurate and reliable testing procedures.
- Monitored the routine maintenance and calibration of laboratory equipment to ensure accuracy and reliability.
- Implemented and ensured general compliance with relevant regulations, standards and protocols (e.g. NAFDAC guidelines and SOPs).
- Analyzed and identified production trends and recommended process optimizations.

MINISTRY OF AGRICULTURE & NATURAL RESOURCES – Aquaculture Farming Assistant

Kwara State, Nigeria. 2016 - 2017

- Conducted regular cleaning and disinfection of ponds and environment.
- Regularly undertook investigative survey of water quality to ensure compliance with Health, Safety, and Environmental regulations.
- Monitored fish health and notified veterinarians of any noted health concern.
- Assisted in fish breeding and stock surveys.
- Prepared detailed reports and advised external fishery stakeholders.

EMZOR PHARMACEUTICAL INDUSTRIES LIMITED - Quality Control & Assurance Officer

Lagos, Nigeria. 2015 – 2016

- Played a crucial role in managing laboratory operations and maintaining cleanliness and organization. Utilized excellent planning and time management abilities to execute lab reconfiguration efficiently.
- Ascertained physical analysis of drug sample from batches and documentation.

- Performed chemical examination of raw & portable water and performed routine sampling of manufactured drugs in batches.
- Carried out chemical analysis of sampled drugs ensuring strict compliance with Standard Operating Procedures (SOPs) and British Pharmacopeia.

FEDERAL INSTITUTE FOR INDUSTRIAL RESEARCH – Chemical Laboratory Trainee

Lagos, Nigeria. 2014 – 2015

- Participated in the extraction of natural oil from oil seeds (e.g. rubber and castor oil seeds)
- Performed extraction of citric acid from ripe and unripe lime.
- Gained foundational experience in industrial chemistry and laboratory technique.

SKILLS

- Laboratory Quality control & Compliance
- Financial & Market Analysis
- Problem solving & Critical thinking
- Technical Data Interpretation
- Attention to detail & Accuracy
- Administrative & Organizational efficiency
- Effective communication & Team collaboration
- Time management & Task prioritization

PROFESSIONAL TRAINING/ MEMBERSHIP

Financial Markets and Instruments Training

Issuing authority: iMarkets Live (iML) Forex Academy

- Completed professional training in technical analysis, risk management, and strategy development for Forex and other financial instruments.
