SKILLS

Microsoft Office: Excel, PowerPoint,
Word.

Data Analytics: PowerBI, Python, SQL.

SUMMARY

I am an experienced professional in Veterinary Medicine, One Health, and Organizational relations. I have been consistently honing my skills in Data Analysis, specifically in areas such as Data Literacy, Data Visualization, Data Storytelling, Data Cleaning, Python programming, and SQL. I completed comprehensive analytics programs, mastering my Data Modeling, Business Fundamentals, SQL, and Data Visualization skills. Additionally, I have completed a course on Artificial Intelligence Career Essentials with ALX, which taught me to leverage the qualities of AI for success. I hold proven certifications in courses relevant to Data and Personal development and look forward to opportunities where I can make good use of my data analysis knowledge.

WORK EXPERIENCE

Resident Veterinarian 2023 - 2025
Paws n Whiskers, Lagos.

A full-time role as a Small Animal consultant, where I helped clients get appropriate and adequate care for their pets by providing proper management, diagnosis and treatment of diseases/illnesses while also providing needed pieces of advice for good health for both pets and clients. I have helped make great relations with clients and provided a better online presence for the clinic through a precise placement on Google, which boosted the company's sales rate.

Veterinarian 2021 - 2022
Delta State Ministry of Agriculture and Natural Resources, Agbor.

As a Nation Youth Corps Member, I served as a Veterinary Officer at the Delta State Vet. Clinic where I took charge of clinical cases, treatments and diagnoses of animal diseases, proper inspection of meat in abattoirs for human consumption, and sensitization of people both young and old on proper management of pets, themselves, and their environment. I also helped create an online presence for the hospital as this helped to boost sales and created a good turnover rate till date.

Veterinary Intern Sept. 2021 - Nov. 2021
VetPro Animal Hospital, Lagos.

As a 3-month intern, pre-service year, I have successfully cared for pets, diagnosed, managed, and treated animal illnesses and diseases with little to no supervision. I helped to promote one health by ensuring pet owners take adequate care of themselves and their environment while watching out for their pets.

Soft skills: Teamwork, Time management and organization, Emotional Intelligence, Effective communication, Adaptability and Resilience, Problem-solving, Relationships and well-being, Project planning and execution, and Self-awareness,

AWARDS

Most Informed Rotaractor (2025)

An award by Rotaract District 9126 for proven efforts on brilliance and Intelligence in Rotary and other topics of notable knowledge.

Paul Harris Fellow (2024)

A globally recognized award from Rotary International in recognition of members who have contributed notably to The Rotary Foundation, in promoting good standard of living worldwide.

National Merit Award (2024)

The Nigeria Rotaract Multi-District Information Organisation (NRMDIO)'s Award of Recognition to select members across Nigeria for their notable impacts in the service of humanity.

Humanitarian Award (2021)

Awarded by the Rotaract Club of the University of Ilorin for being one of the most supportive graduating members of the club.

Most Versatile Vasorum (2019)

Awarded by the Association of Veterinary Medical Students of Unilorin, for being the Most Versatile member of the Vasa Vasorum class of 2019.

Most Promising Rotaractor (2014)

Awarded by the Rotaract Club of Unilorin for being the most promising new member of the club, as a result of active participation since joining the club.

VOLUNTEER EXPERIENCE

Rotaractor

2014 - PRESENT

Rotary International

Full-time volunteer position at the youth wing/partner of Rotary International (Rotaract), where I have been opportune to serve in various positions from Presidency to Secretary, to Chairperson of various notable committees. I have, together with fellow purpose-driven individuals, carried out projects to alleviate poverty, eradicate hunger, and improve the health and well-being of citizens, amongst others. In the first few months of being a Charter President of Rotaract Eclub of Harmony, we won the Rotaract Giving Certificate, which indicates a positive impact on the organization. At the end of my tenure as President, we won various awards including the Rotary International's most significant award, the Club Excellence Award.
