PROFILE

I am a web developer working with database and front-end site design. Good at creative ideas, clear thinking, and careful details. Skilled in working independently or in a team setting to deliver high quality solutions.

EXPERIENCE

MZIENET SYSTEMS - INTERN

MAY 2024 - OCTOBER 2024

I was trained on the basics of web development using HTML, CSS, and JavaScript to develop website that's responsive to any device screen size. After learning the fundamentals of web development, i was further trained on one of javascript frameworks ; ReactJs. While learning ReactJs, i was able to develop/clone the front-end side of some websites using one of two methods ; React App.

MZIENET SYSTEMS - INTERN

JUNE 2022 - SEPTEMBER 2022

During my intern here, I was exposed to the various application packages we have, I learnt how to navigate all of Microsoft packages including PowerPoint and Excel. I was also exposed to the usage of canva for design purposes.
