

ADEYANJU OLUWATOBILOBA FELICIA

HND BIOCHEMISTRY GRADUATE | PRODUCTION • QUALITY CONTROL • LABORATORY

Phone: +234 901 569 1263 | Email: tobilobaadeyanju8@gmail.com | Ogun State, Nigeria

PROFESSIONAL PROFILE

HND Biochemistry graduate with practical experience supporting production operations, workplace organization, quality-focused laboratory activities and safe chemical/reagent handling. Experienced working within a 30+ person production team, following production and safety procedures, maintaining clean work areas, handling samples and equipment, and documenting practical work. Demonstrates teamwork, attention to detail, communication and responsibility developed through production, laboratory, research and classroom coordination experience. Seeking to contribute to a Production Supervisor role through reliable production support, team coordination, safety awareness and adherence to procedures.

CORE COMPETENCIES

- Production operations & workflow support
- Team coordination & task follow-up
- Workplace hygiene & safety
- PPE and safe work practices
- Quality control awareness
- Chemical/reagent handling
- Documentation & record keeping
- Equipment handling
- Attention to detail
- Problem solving
- Communication & teamwork
- Time management

PROFESSIONAL EXPERIENCE

Production Assistant — Agbara Bitter Company, Production Department | 2020–2021

- Supported day-to-day production activities, routine operations and organization of the production work area.
- Worked effectively within a production team of 30+ personnel, maintaining clear communication and cooperation.
- Followed workplace safety, hygiene and production procedures and supported clean, orderly production areas.
- Developed practical understanding of production workflow, team discipline, task coordination and adherence to operating procedures.
- Supported production activities involving packaging/finishing operations while maintaining attention to order, cleanliness and process requirements.

SIWES Trainee / Laboratory Assistant — Private Medical Laboratory | Sept 2023–Dec 2023

- Collected and handled different samples, assisting with approximately 20 patients in a day while working closely with laboratory colleagues.
- Performed or assisted with routine tests including PCV, malaria parasite testing using microscopy/test strips, Widal testing, urinalysis and HVS testing.
- Handled laboratory reagents and equipment including centrifuge, microscope and PCV chart/reader, with attention to safe use and care.
- Used appropriate PPE and followed safety, hygiene and sample-handling procedures to reduce contamination risk.
- Strengthened accuracy, cleanliness, teamwork, documentation and adherence to laboratory procedures.

Teaching / Industrial Training Experience | Jan 2024–Dec 2024

- Managed classroom activities for 24 students, strengthening organization, communication, responsibility and time-management skills.
- Prepared and explained lessons clearly while monitoring activities and maintaining an organized working environment.

EDUCATION

- Federal Polytechnic, Ilaro, Ogun State — Higher National Diploma (HND), Biochemistry | 2023–2026
- Osun State Polytechnic, Osun State — National Diploma (ND), Biochemistry | 2020–2023
- De Angels High School — WAEC | 2013–2019

RESEARCH & PRACTICAL EXPERIENCE

Final Year Project — Project Researcher / Team Lead, Federal Polytechnic, Ilaro

- Project: Effect of ethyl acetate extract of *Abrus precatorius* leaf on aflatoxin-induced nephrotoxicity in Wistar rats.

- Coordinated experimental activities, data collection, documentation and interpretation.
- Led a four-member project group and coordinated responsibilities to support timely completion.
- Developed practical experience in experimental research, biochemical analysis, scientific documentation and teamwork.

TECHNICAL SKILLS

- Production / Quality: Production support • Workflow awareness • Workplace hygiene • Safety procedures • Chemical/reagent handling • Documentation • Quality control awareness
- Laboratory: Sample collection & handling • PCV • Malaria parasite testing • Urinalysis • Widal testing • HVS • Microscopy • Centrifuge • PPE & laboratory safety
- Professional: Communication • Teamwork • Problem solving • Time management • Scientific research • PowerPoint presentations

CERTIFICATION

- Jobberman Certification
