PROFESSIONAL EXPERIENCE

ACCOUNTANT

Spectra Industries Ltd,
Plot 1, Suco Road, Oko Oba Agege, Lagos
Production Sector
December 2022 – Present

• Prepare monthly management accounts, financial statements, and performance reports for management decision-making. • Lead annual budgeting, rolling forecasts, and detailed variance analysis to track business performance against targets. • Manage cash flow planning, working capital, and cost controls to ensure operational liquidity and financial stability. • Oversee tax compliance, statutory filings, payroll processing, and regulatory reporting in line with Nigerian requirements. • Act as key liaison with external auditors, tax consultants, and regulators during audits, reviews, and inspections. • Strengthened internal control processes to improve data accuracy, reporting timeliness, and compliance.

Key Achievements: • Reduced debtor ageing from approximately ₦300 million to ₦80 million while maintaining sales volume. • Achieved 100% on-time statutory filings and tax payments

with zero regulatory penalties. • Improved management reporting quality, enabling clearer visibility into cost drivers and margins.

SITE ACCOUNTANT

Skipper Nigeria Ltd, Victoria Island, Lagos

Construction Sector

January 2019 – July 2021

- Maintained accurate financial records and supported internal and external audit processes.
- Prepared management reports, daily bank reconciliations, and cash flow schedules.
- Supported project budgeting, cost monitoring, and expenditure controls to protect project margins.
- Ensured compliance with tax regulations and internal financial policies.
- Worked closely with operations and project teams to improve cost discipline and reporting accuracy.

Key Contributions: • Supported cost control initiatives that improved budget adherence across multiple project sites. • Improved reconciliation processes, reducing reporting delays and discrepancies.
