08127713853 | ifelaniaalana@gmail.com

48, Ijebu-Ode Road, Odomola, Epe, Lagos State

PROFESSIONAL PROFILE

Registered Nurse (RN), Registered Midwife (RM), and Bachelor of Nursing Science (BNSc) graduate with clinical training across medical-surgical, maternal and neonatal, psychiatric, and general hospital settings. Experienced in patient assessment and monitoring, nursing care, health education, and working with multidisciplinary teams. Committed to safe, compassionate, evidence-informed care and professional development.

CLINICAL EXPERIENCE

General Hospital Odan, Lagos State

Nurse Intern | 2025–2026

- Supported nursing assessment and ongoing monitoring of patients, including vital signs and reporting significant changes to the supervising team.
- Assisted with medication administration and other nursing procedures in line with supervision, prescriptions, and facility protocols.
- Participated in patient hygiene and comfort care, wound care, infection prevention, and maintenance of a safe care environment.
- Contributed to nursing documentation, handover, patient education, and collaborative care planning.

Lagos Island Maternity Hospital, Lagos State

Nurse Intern | 2025–2026

- Supported maternal and newborn care, including observation of mothers and newborns and reporting concerns to the supervising midwife or nurse.
- Assisted with antenatal, intrapartum, and postnatal care activities under supervision, following hospital protocols.
- Provided health education on maternal self-care, breastfeeding, newborn care, and danger signs.
- Maintained privacy, dignity, infection-prevention practices, and accurate documentation during patient care.

University College Hospital (UCH), Ibadan, Oyo State

Clinical Placement | 2022, 2025

- Delivered supervised patient care in medical-surgical wards, including wound management, medication administration, and patient monitoring.
- Assisted in preoperative and postoperative care, supporting patient safety and recovery.
- Worked with multidisciplinary teams to support and implement patient care plans.

Adeoyo Maternity Teaching Hospital, Ibadan, Oyo State

Clinical Placement | 2023

- Supported maternal and neonatal care, including antenatal assessments, labour monitoring, and postpartum support.
- Provided health education on nutrition, childbirth preparation, and breastfeeding.
- Assisted with delivery-related procedures under supervision and followed safety protocols.

Aro Psychiatric Hospital, Abeokuta, Ogun State

Clinical Placement | 2024

- Supported mental health assessments and therapeutic communication with patients receiving psychiatric care.
- Assisted in care for patients with mental health conditions and participated in collaborative monitoring of treatment outcomes.
- Supported group activities and maintained a respectful, therapeutic care environment.
