ABOUT ME

I am a creative and detail-oriented Graphic Designer with a passion for transforming ideas into clear, visually engaging designs. I create professional designs for brands, businesses, and individuals, including logos, brand identities, flyers, posters, banners, social media graphics, and other marketing materials.

I have experience working with Canva, Adobe Photoshop, and PixelLab, and I focus on creating designs that are visually appealing, purposeful, and consistent with a brand's identity. I am creative, willing to learn, attentive to details, and committed to meeting deadlines and delivering quality work.

I am open to opportunities that allow me to grow my skills, contribute creatively, and work with clients or teams to bring ideas to life.
