PROFESSIONAL SUMMARY

A young, dynamic, result-oriented, and productive second class-upper graduate of civil engineering with deft practical and analytical skills. I am a fast learner and an open-minded team player who is passionate about pursuing a career as a construction manager and consultant, with the hope of making significant and enormous contributions via innovative research.

Interests: Strength of materials | Structural Analysis and Design | Civil Engineering Materials | Soil Mechanics | Construction Technology | Foundation Engineering

EDUCATION

Ladoke Akintola University of Technology (LAUTECH), Ogbomosho, Oyo, Nigeria 2024

Bachelor of Technology (B.Tech.) in Civil Engineering

Final Grade: Second Class upper Honors

GPA: 3.91/5.0

Thesis Title:

Influence of microplastic pollution in water

SKILLS AND COMPETENCES

Core skills: Site supervision and Project Coordination, Foundation Engineering (Piling and Pile caps), Structural Retrofitting and Rehabilitation, Construction Materials Management |

Personal Strengths: Excellent communication, interpersonal relationship skills, Leadership and Team Player, Organizational skills, Time and Project Management.

Software skills: AutoCAD, Protastructure

INDUSTRIAL EXPERIENCE

PROJECT ENGINEER

BAY CONTRACTING LIMITED. Lagos, Nigeria.

Oct. 2025 – Present

- I supervise and coordinate daily site activities to ensure compliance with structural drawings, specifications, and safety standards.
- I conduct and assist in site setting out and leveling operations, improving efficiency in surveying practices.

- I supervise excavation works, mitigating challenges such as groundwater intrusion affecting productivity and stability.
- I lead retrofitting and structural stabilization of a two-storey building experiencing differential settlement and tilting.
- I apply quality control measures, including involvement in Pile Integrity Testing (PIT) and other site inspections.
- I enforce health, safety, and environmental (HSE) standards across all site operations.

NYSC

Jan. 2025 – Dec. 2025

PATAN Construction Limited, Abakaliki, Ebonyi state.

- I reviewed engineering drawings and interpreted construction plans before site execution.
- I monitored daily site activities to ensure work complied with project specifications and quality standards.
- I participated in site inspections and recorded construction progress for reporting purposes.
- I assisted in setting out road alignments, levels, and other engineering measurements.
- I monitored earthworks, including excavation, filling, compaction, and subgrade preparation.

Civil Engineering intern.

Jan. 2023 – Jun. 2023

KOPEK Construction Limited. Oyo, Nigeria.

- I accompany experienced engineers to construction sites to observe and learn.
- I assisted in road design and planning.
- I assisted in gathering and analyzing data condition and traffic patterns

Civil Engineering intern

Mar. 2020- Jul. 2020

Samchase Construction Limited, Oyo, Nigeria.

- I observed and document construction activities.
- I conducted materials testing and ensured compliance with the industry standard
- I learnt software and tools, AutoCAD and Revit.

T

TEACHING EXPERIENCE

Academic Tutor

2019-2024

Faculty of Engineering and Technology, LAUTECH, Oyo, Nigeria

- Coached and mentored prospective undergraduates, recording over 90 % average success yearly.
- Prepared academic materials and organized tutorials for colleagues and other students at lower levels.

CONFERENCE/WORKSHOP ATTENDED

- NUESA Conference 2023
- NICE Annual Conference: Sustainable Civil Infrastructure Development in a Challenging Community 2022
- NICE-SA CEIT SUMMIT: Building a Smart City, Looking It From Civil Engineering Binoculars 2022

VOLUNTEERING & LEADERSHIP EXPERIENCE

Member of Junior Chamber International (JCIN LAUTECH)

Feb.. 2020 – till Date

- Participated in community development projects and initiatives.
- Developed and implemented personal developments programs.

Financial Secretary, NUESA LAUTECH.

Oct. 2022 - Nov. 2023

- Oversee the income, expenses and budgeting of the faculty.
- Maintained accurate and up-to-date financial records of over 800 students.
- Support fundraising efforts and manage funds raised.

Academic Coordinator, FET LAUTECH.

Jun. 2023 – Feb. 2024

- Advises students on academic matters, resolves issues and provide guidance.
- Assisted in developing and implementing tutorials and other academic programs.

AWARDS & HONORS

Central Council of Ibadan Indidenes - 2023: Outstanding academic performance

BD & SW Scholarship Scheme - 2023: Outstanding academic performance
