PROFILE

I am a Biology graduate from the Federal University of Technology, Akure (FUTA), with a Second Class Upper degree and experience in teaching, laboratory work, student support, and sales. I possess strong skills in communication, research, problem-solving, marketing, customer relations, and Microsoft Office tools. I am hardworking, adaptable, and committed to continuous learning and professional growth. I work effectively both independently and in teams, with a strong desire to contribute to organisational goals and add value wherever I work.
