Mobile / WhatsApp: 08025846862 | **Email:** aa267894463@gmail.com

PROFESSIONAL PROFILE

Dedicated and detail-oriented technical professional with hands-on experience in equipment maintenance, system troubleshooting, and site safety management. Proven track record of diagnosing mechanical and electrical issues efficiently, utilizing specialized tools, and interpreting technical documentation to deliver high-quality work on schedule.

A natural communicator skilled at building positive relationships with clients, managing team interactions, and resolving on-site customer inquiries with clarity and confidence. I am eager to contribute towards organizational growth and strategic goals.
