

# OGUNKOYA BOLUWATIFE HANNAH

**B.Sc. Pharmacology | Healthcare & Pharmaceutical Enthusiast**

Surulere, Lagos, Nigeria | 09033106619 | boluwatifeogunkoya23@gmail.com

## PROFESSIONAL SUMMARY

Recent B.Sc. Pharmacology graduate with academic and practical exposure to pharmacology, healthcare environments, and pharmaceutical-related activities. Gained practical experience during an industrial training placement at Lagos University Teaching Hospital (LUTH), within the Pharmacology Department, with exposure to laboratory procedures, pharmacological research and drug-related practical work. Also developed digital and technical skills through software development training at TS Academy. Strong communication, organization, teamwork and learning abilities, with an interest in pharmaceutical, healthcare, research and related entry-level opportunities.

## EDUCATION

### Lagos State University (LASU)

B.Sc. Pharmacology 2026

## PRACTICAL & INDUSTRIAL EXPERIENCE

### Lagos University Teaching Hospital (LUTH)

Industrial Training (IT) Student — Pharmacology Department

- Participated in practical activities within a hospital-based pharmacology environment.
- Gained exposure to pharmacological laboratory procedures and experimental techniques.
- Assisted with practical research activities and maintained attention to laboratory procedures and safety.
- Developed practical understanding of drug actions, experimental pharmacology and basic research processes.
- Worked effectively within a professional healthcare environment.

## ADDITIONAL TRAINING

### TS Academy

Software Development Training

- Developed foundational knowledge of HTML and CSS.
- Used Visual Studio Code and CodePen for coding practice and projects.
- Developed problem-solving and digital skills through practical software development exercises.
- Demonstrated ability to learn and work with new technologies.

## VOLUNTEER EXPERIENCE

### Lagos State University

Social Media Management Volunteer | June 2024 – January 2025

- Created and managed social media content for university-related activities.
- Prepared engaging write-ups, captions and relevant hashtags.
- Supported the promotion of Health Week activities and fundraising campaigns.
- Assisted with communicating event information to students through social media.
- Demonstrated creativity, communication, organization and time-management skills.
