WORK EXPERIENCE

Keffies Ventures | Lagos, Nigeria Mar. 2024 – July 2025
Retail Operations, Merchandising and Marketing Manager

- Developed a comprehensive **Item Tracker**, for real-time stock monitoring, reducing wastes and supply shortages by 50%.
- Created and managed brand social media presence, increasing visibility to customers, suppliers, and investors.
- Founded KINEXXO, an eco-friendly doorstep delivery service infusing sustainability with health and fitness initiatives.

LifeInUnilag (via Uni9ja) | Lagos, Nigeria Sep. 2021 – Dec. 2023
Founder and Director

- Built a community-based platform to connect, inform, educate and entertain all students, prospects and staffs of the university.
- Integrated small-scale community projects, brand marketing campaigns and tutoring services, generating **\$100** annual revenue.

Brains and Hammers | Lagos, Nigeria May. 2021 – Oct. 2021
Structural Engineering Intern

- Assisted in managing the construction and development of **multiple residential estates**; from foundation to finishes.
- Interpreted structural drawings and monitored concrete mix design, enhancing mix quality by 30% over standard ratios.
- Documented daily site activities, thereby **reducing material waste and supply shortages by 15%**.

LEADERSHIP AND EXTRA-CURRICULAR ACTIVITIES

University of Lagos | Lagos, Nigeria Mar. 2019 – May 2023
Core Committee Member, Engineering Career Expo

- **Asst. Director of Logistics, ECX 1.0 (2019)**: Coordinated over **450 participants** in the training program for **3 months**.
- **Director of Content Development, ECX 2.0 (2020)**: Increased student participation and retention by **500%**.
- **Committee Chairman in ECX 3.0 (2022)**: Implemented operational policies, increasing **task completion by 40%**, overall **productivity by 20%** and **student engagement by 20%**.

University of Lagos | Lagos, Nigeria Jun. 2020 – Aug. 2023
Public Relations Officer, Civil Engineering Students' Society

- Launched CESSTV, a free student hotline and an online platform educating students on Civil Engineering Topics.
- Elected into the Information Unit at the NICE-SA SW level as the Director of Content Development, expanding outreach.
- Designed captivating graphic illustrations for all events, boosting participation in all departmental activities.

Hult Prize Foundation | United Nations Aug. 2019– Dec. 2019
Director of Logistics, University of Lagos

- Spearheaded a team in mapping out all events' structures - ensuring zero-glitches in execution and performance.
- Assisted in the On-Air promotion at Nigeria Info FM 99.3, increasing participation and sponsorship influence for the competitors.
