- Worked within established operational, quality-control, and workplace procedures.

CODING MACHINE OPERATOR

Cosmetology, Adedoyin Entrepreneurship Development, Ile-Ife, Osun State

- Operated coding machines and other relevant equipment.
- Supported safe and efficient operation of machinery.
- Worked with equipment used within the organization.
- Supported operational activities and maintained attention to safe working procedures.
- Represented the organization professionally when dealing with relevant operational and regulatory matters.

NYSC CORPS MEMBER / CHEMISTRY & BIOLOGY TUTOR | 2019 – 2020

Great Alpha College, Lagos State

- Served as a National Youth Service Corps (NYSC) member at Great Alpha College as my Place of Primary Assignment (PPA).
- Taught Chemistry and Biology to students.
- Prepared lessons and adapted teaching approaches to improve students' understanding.
- Administered assessments and evaluated students' academic performance.
- Provided additional support to students experiencing difficulties with learning materials.

- Observed and evaluated students' academic and social development.
- Used different instructional approaches and classroom activities to support effective learning.
- Developed strong communication, leadership, teamwork, organization, and problem-solving skills.

EDUCATION

B.Sc. Industrial Chemistry — Oduduwa University, Ile-Ife, Osun State | September 2013 – May 2019

Second Class

Research Project: Biosynthesis of Copper Nanoparticles Using *Caesalpinia bonducella* Plant Extract and Their Characterization

Eko-Akete Grammar School, Lagos Island — WASSCE | 2005 – 2011

RESEARCH PROJECT

Conducted an academic research project on the biosynthesis and characterization of copper nanoparticles using *Caesalpinia bonducella* plant extract, providing practical exposure to scientific research, chemistry, laboratory procedures, material analysis, documentation, and interpretation of research findings.

KEY SKILLS

- | | | |
|-------------------------------|--|-------------------------|
| • Quality Control | • Quality Assurance | • Production Management |
| • Production Operations | • Industrial Chemistry | • Laboratory Operations |
| • Material Quality Assessment | • Manufacturing Operations | • Process Monitoring |
| • Team Leadership | • Supervisory Skills | • Problem Solving |
| • Project Management | • Customer Service | • Machine Operation |
| • Production Coordination | • Documentation | • Workplace Safety |
| • Microsoft Office | • Communication | • Teamwork |
| • Time Management | • Ability to Work with Minimal Supervision | |

PROFESSIONAL STRENGTHS

Fast learner and adaptable • Strong communication • Team leadership • Problem solving • Integrity, honesty and transparency • Ability to work under pressure • Strong interpersonal skills • Ability to work with minimal supervision

ACHIEVEMENT

Best Manager of the Year — Joyitta Food and Agricultural Services, Ile-Ife, Osun State
