PROFESSIONAL EXPERIENCE

Independent Researcher

2021-Date

- Conducted extensive research on poverty, governance, and the political economy of social welfare in Nigeria.
- Collected, examined, and critically analysed quantitative data from diverse research sources.
- Synthesised research findings and scholarly perspectives into a thesis for public access and engagement.
- Researched and authored critical papers examining topical social, cultural, and political issues in Nigeria and across the globe.
- Analysed contemporary political and socioeconomic developments, drawing connections between policy, governance, and societal outcomes.

National Association of Political Science Students, UNILAG Chapter

2026

General Secretary

- Coordinated volunteers across various departments in the planning and execution of the POLITECH 2026 Annual Conference, themed **“Web3 Innovation and Global Governance.”**
- Facilitated the onboarding of **300+ students** into the Web3 ecosystem through educational and engagement initiatives.
- Developed strategic blueprints, work plans, and roadmaps to guide conference planning and execution.
- Supervised the media and content creation team, overseeing promotional campaigns and awareness efforts for the SOSSA Symposium 2026.
- Identified and engaged potential sponsors and strategic partners to support the planning and execution of **NAPSS WEEK '26**.
- Coordinated communication and administrative activities across teams, ensuring effective collaboration and timely delivery of assigned responsibilities.
