EDUCATION, TRAINING, AND CERTIFICATION

Bachelor In Microbiology

Crawford University Lusada Ogun State Nigeria - 2020-2024.

PROFESSIONAL SUMMARY

Detail-oriented and analytical Microbiology graduate with hands-on experience in clinical and pharmaceutical laboratory operations. Skilled in conducting microbiological and chemical analyses, performing quality control tests, and ensuring strict compliance with Good Laboratory Practices (GLP) and safety standards. Gained practical experience during my industrial training at a State Hospital, supporting diagnostic testing and patient sample analysis, and further honed expertise at Emzor Pharmacy Company through pharmaceutical product testing and quality assurance.

PROFESSIONAL EXPERIENCE

EMZOR PHARMACEUTICAL COMPANY (NYSC)

January 2025 -December 2025

Role(s) held in this organization

Microbiologist

Key responsibilities and achievements:
