GRAPHIC DESIGN EXPERIENCE

Graphic Designer

Nov 2025 – Present

Evidence Starling

- Designed high-quality visual materials for digital and print platforms, including social media assets, marketing collateral, brochures, banners, and presentations.
- Developed creative design concepts aligned with company branding, marketing objectives, and campaign goals. Collaborated cross-functionally with marketing, sales, and management teams to deliver impactful visual communication.
- Maintained strict brand consistency across typography, color schemes, logos, and visual composition guidelines.
- Prepared final artwork and pre-press design files, ensuring precise formatting, resolution, and dimensional accuracy.
- Managed multiple simultaneous creative projects under tight turnaround schedules while maintaining quality standards.
