About Me

My name is Hamzat Kehinde, a visionary creative Designer with over few years of professional experience turning complex concepts into high-impact visual stories and combining classic design with advanced AI workflows.

Known for precision and a sharp eye for detail, I help brands stand out, streamline their creative process, and truly connect with their audience.

Professional Experience

02/2025 – Present
Florida, United States

BLV Enterprises

Creative Designer, Social Media Manager

- Design visually appealing graphics for social media platforms, marketing materials, and advertisements.
- Develop captivating reels and short-form video content.
- Assist in social media management and content planning.
- Contribute creative ideas to enhance engagement.
- Collaborate with the marketing team to discuss tasks and receive assignments.

02/2025 – 12/2025
