Email: kasumu0702@gmail.com | Phone Number: +2349041804104

Lagos, Nigeria

I am a results-driven B.Sc. Geology graduate equipped with strong analytical, field research, and data interpretation skills. Trained in the proper handling and application of geological equipment during fieldwork and laboratory analysis, I combine my technical earth science background with practical experience in operational management, data collection, and stakeholder communication. I am eager to apply my critical thinking and problem-solving abilities to contribute effectively within a dynamic, growth-oriented organization.

SKILLS
