

AKINJOGUNLA OYINDAMOLA KEHINDE

Science Laboratory Technologist (Chemistry) | Quality Assurance
(+234) 706-189-8578 | Oyindamolaakinjogunla2020@gmail.com | Lagos, Nigeria

PROFESSIONAL SUMMARY

Versatile and meticulous Science Laboratory Technology graduate with a strong foundation in analytical chemistry and regulatory-driven quality assurance. Proven track record managing high-volume sample analysis, rigorous batch documentation, and specification and hygiene compliance, with the precision and discipline any regulated, quality-focused environment demands. Combines sharp attention to detail with strong cross-functional coordination, adapting quickly across production, laboratory, and quality teams. Brings a rare blend of technical competence, regulatory awareness, and people-focused leadership, ready to deliver measurable impact in any quality-driven laboratory or production setting.

WORK EXPERIENCE

Processing & Quality Assurance Trainee (SIWES/IT)

Spice & Herbal Tea Production, Lagos, Nigeria | June 2024 – December 2024

- Full-Line Processing Support: Supported production activities across the full processing line, from raw material intake through processing, packaging, and dispatch for sale.
- Quality Assurance Checks: Carried out quality checks on an average of 20+ samples daily across herbal teas and spice blends, verifying consistency, hygiene, and adherence to specification.
- Batch Documentation: Maintained proper documentation of samples, batch records, and stock tracking to support traceability and quality control.
- Cross-Team Liaison: Liaised with production and sales teams to support smooth handover of finished goods.

EDUCATION

Bachelor of Science (B.Sc.) in Science Laboratory Technology (Chemistry Option)

Bamidele Olumilua University of Education, Science and Technology | Ikere-Ekiti, Nigeria

Graduated: 2026 | Second Class Honours (Upper Division)

LEADERSHIP EXPERIENCE

Welfare Director, National Association of Ondo State Students (NAOSS)

- Coordinated welfare initiatives and activities focused on promoting the well-being and satisfaction of members of the National Association of Ondo State Students (NAOSS).
- Served as a liaison between members and leadership, addressing concerns and ensuring effective communication and support.
- **Awarded Best Welfare Director of the Year** by NAOSS in recognition of outstanding leadership, dedication, and exceptional contribution to members' welfare.

TECHNICAL AND QUALITY ASSURANCE SKILLS

- Quality Assurance: High-volume sample checks (20+ daily), specification and hygiene compliance, consistency verification.
- Documentation: Proper sample documentation, batch records, stock tracking, quality control record-keeping.
- Process Support: Raw material intake, processing, packaging, and dispatch coordination.
- Laboratory Techniques: Wet chemistry fundamentals, sample preparation, analytical instrumentation (pH meter, titration).
- Software & Systems: MS Word, MS Excel, MS PowerPoint, LIMS (Laboratory Information Management System).
- Cross-Functional Coordination: Liaison between production and sales/dispatch teams.

CERTIFICATIONS AND PROFESSIONAL MEMBERSHIPS

- Associate Member, Nigeria Institute of Science Laboratory Technology (NISLT) – Reg. No. A30479.
