

KOLAWOLE AYOMIDE RHODA

Oyo State Nigeria
08158761258 | kolawoleayomide2019@gmail.com

Professional Summary

- Hardworking and dependable individual with experience in sales and teaching roles. Comfortable working with people, handling responsibilities, and providing good support in both customer-facing and work environments. Good at communicating clearly, staying organised, and learning new tasks quickly. Always willing to put in the effort and do the job well.

Education

- Federal University Oye Ekiti** 2018-2024
Biochemistry
3.86/5.00

Certification

- NYSC March 2026

Experience

- Union Baptist College** 2025 - 2026
Teacher (NYSC)
Served as a classroom teacher during the NYSC year, teaching students and helping them understand lessons in a simple and clear way. Prepared lesson notes, marked assignments, and supported students both in and outside the classroom. Also took part in school activities and worked with other teachers to maintain a good learning environment.
- Pathfinder Medical Centre** 2024 - 2025
Laboratory Attendant
 - Worked in the maternity ward, assisting midwives and nurses during child delivery and providing support before and after delivery.
 - Helped prepare delivery rooms and ensured all instruments and materials were properly arranged and sterilized.
 - Assisted in the laboratory with routine tests, including malaria tests, blood grouping, genotype testing, and other basic investigations.
 - Handled patient samples, supported record-keeping, and ensured accurate labeling of test results.
 - Maintained cleanliness of the maternity ward and laboratory while following standard health and safety practices.
 - Provided general support to medical staff to ensure smooth daily operations within the clinic.
- Royal bite supermarket** 2022 - 2024
Sales Representative
Worked as a sales representative for two years, assisting customers with their purchases and making sure they had a good shopping experience. Handled customer questions, helped with product selection, and kept the sales area neat and well arranged. Also supported with stocking shelves, checking product availability, and ensuring customers were attended to promptly and politely.
