

MAKINDE OLALEKAN TEMITAYO

Electrical Technician | Marketer

Email: holamilekantemitayor@gmail.com | Phone: +2347065254452 | Oyo state, Nigeria

PROFESSIONAL SUMMARY

A skilled and versatile Electrical Technician with over a decade of hands-on experience in electrical systems, hybrid power solutions, and diesel engine maintenance. Proven track record in installation, with a solid foundation in administrative procedures and record-keeping. Experienced in working with ATS systems, ensuring high performance and safety compliance across various projects. Known for reliability, attention to detail, and the ability to work both independently and as part of a technical team. Committed to continuous learning and delivering high-quality solutions that support operational efficiency and business growth.

CORE COMPETENCIES

Technical Skills:

- Electrical Systems Expertise: Proficient in wiring, fault diagnosis, and maintenance of electrical systems, including ATS (Automatic Transfer Switch) units
- Hybrid Power Solutions: Experienced in installing and maintaining hybrid systems involving solar, inverters, and generators
- Diesel Engine Maintenance: Skilled in operating, servicing, and troubleshooting diesel engine-powered equipment
- Technical Documentation & Safety: Adept at keeping accurate maintenance records and ensuring compliance with safety standards and electrical codes

Soft skills: Analytical & Problem-Solving | Attention to Detail | Process Improvement | Team Collaboration | Documentation & Report Writing | Effective Communication | Deadline Management

PROFESSIONAL EXPERIENCE
