

Mmebouda Mbah

ACCOUNTING & FINANCE TRAINEE

CONTACT

 +234 808-554-2979

 mbahuda139@gmail.com

 Lagos State, Nigeria.

CAREER OBJECTIVE

I am a recent BSc Accounting graduate with a strong foundation in financial reporting, bookkeeping, and business operations. During my internship at an auditing firm, I gained practical exposure to audit processes and developed a deeper understanding of real-world accounting. While interning, I also prepared for my ICAN ATS 2 exams, which are now near completion. In addition, I managed a student-run business where I handled daily financial tasks, strengthened my attention to detail, and learned how to work under pressure. I am now seeking an entry-level role in accounting, finance, or audit where I can apply my knowledge, grow through hands-on experience, and contribute to a results-driven team.
