PERSONAL INFORMATION

Date of Birth : 27th December, 1996
Sex : Male
Marital Status : Married
State of Origin : Edo State
Local Government of Origin: Akoko-Edo
Nationality : Nigerian
Current Postal Address : P.O. Box 27, Jattu-Uzairue,
Edo State, Nigeria
Permanent Home Address : No 8 Muslim Quarters Makeke, Akoko-Edo LGA, Edo
State

SUMMARY

Experienced Civil Engineer with over 3 years of hands-on experience in structural design, site supervision, and project management. Skilled in AutoCAD, Revit, 3d rendering with proven ability to manage multiple construction projects from conception to completion in accordance to construction standards, codes and engineering ethics. Strong background in cost estimation, quality control, and safety compliance. Dedicated to ensuring timely delivery of high-quality, sustainable engineering solutions within budget.

SKILLS

- Structural Analysis & Design
- AutoCAD / Civil 3D / Revit
- Engineering Drawing Interpretation
- Risk Assessment & Safety Planning
- Negotiation & Decision-Making
- Leadership & Supervision
- Communication
- Teamwork
- Quality Control & Assurance
- Cost Estimation & Budgeting
- Project Planning & Scheduling
- Ms Word, Excel, PowerPoint, Access

Publication/Dissertations/Theses/Research

Ekun, N.O. (2021). Review of Engineering Strategies For The Stability of Surface and Subsurface Structures (HND Dissertation, Department of Civil Engineering, Auchi Polytechnic Auchi).

Ekun, N.O. (2018). Interlocking Tiles (ND Dissertation, Department of Civil Engineering, Auchi Polytechnic Auchi).

PROFESSIONAL EXPERIENCE

ULTRA BRICKS AND BRIAN: Site Engineer (Contract) January - February, 2026

- Supervise all activities on site and leading project team to archive companies goals
- Interpret necessary designs for project execution
- Prepare site report and records
- Ensure standard and safety compliance on site.

Achievement: Led the project teams in successfully building CNG platform, Drainage system and road pavement at Dangote cement Factory Okpella.

PrinGold Nigeria Ltd: Site Engineer (Contract) June - December, 2025

- Quality control and site management
- Supervise all activities on site and leading project team to archive companies goals
- Interpret necessary designs for project execution
- Prepare site report and records
- Ensure standard and safety compliance on site.

Achievement: Led the project teams in successfully building 10 Units of one(1) bedroom flat and a two(2) bedroom apartment, Drainage system and landscaping at Dangote cement Factory Okpella from conception to completion.

SKYPHIL NIGERIA LIMITED: Site Engineer (contract) 2023-2025. Jattu Uzuare

- Performed all soil test, concrete test etc to enhance structural stability, integrity, serviceability, durability and safety.
- supervise all activities on site and leading project team to archive companies goals
- Designed/Interpret structural drawings and projects schedule and consultancy

Achievement: Led a 35 man project team in successfully building a 34 rooms luxurious hotel, multiple bedroom duplexes, 4, 5, 3 bedroom bungalows, 6 units of 2 bedroom flat, drainage systems, 300 capacity event hall, multiple residential buildings, commercial buildings etc. from conception to completion at various places in Edo, Delta , Bayelsa, Rivers and Ondo States respectively

NATIONAL YOUTH SERVICE CORPS (NYSC) 2022-2023. Ekiti State

-Served as an Mathematics/Basic science teacher in Glorious Foundation Academy, Odo-Ado, Ado-Ekiti.

Achievements: -Improved student academic performance in mathematics and basic science by a pass rate of 30% from average performance.

-Introduced innovative teaching methods such as visual aids that increased class participation and comprehension etc.

-Served as a CDS(Nigeria Innovative Engineering Science and Technology) group leader.

Achievements: -Led the CDS group to various construction sites such as mini dam construction at Afebalola University farm for irrigation purposes, Road construction by Chinese construction company at ilawe road, 1km drainage systems construction at moferire by ministry of works,for professional experiences

-Organised innovative lectures facilitate by NSE officials for professional development. Fire service officials for safety, Immigration officials for international relationship, Human Rights officials on citizenship.

-led the group to impactful teaching and sensitizing students in various schools and Young people in career choices, environmental health awareness, personal development, entrepreneurial skills, value clarification etc

Led the group to construct road traffic signs and road utilities to reduce road accidents.

PENTAGON GEOMETRIX LIMITED: Site Engineer (2021-2022). Benin City

- Ensuring standard on site

- Conducted materials testing(Concrete slump test, cube test, Tensile test, compaction etc.)

Performed quality control and site management

Maintained efficient project timely delivery before deadline

Achievements:- successful execution of various building projects from conception to finishing at Benin City/ Delta State.

PENTAGON GEOMETRIX LIMITED: Internship Civil Engineer (2018-2019)

-Assisted in site supervision and monitored contractor activities.

-Conducted materials testing (concrete slump test, soil compaction, cube crushing).

-Supported preparation of bar bending schedules and reviewed structural drawings.

-Helped prepare daily and weekly site progress reports.

-Ensured compliance with HSE standards.

COMPUTER TRAINING.

-AutoCAD – 2D & 3D drafting for civil/structural designs

-Revit Architecture/Structure – Building Information Modelling (BIM)

-Microsoft Project Basic– Project planning and scheduling

-Microsoft Office Suite (Word, Excel, Access and PowerPoint) – Documentation, reporting, and data analysis
