Profile

Motivated Geophysics graduate with strong technical expertise in subsurface interpretation, aeromagnetic data analysis, and academic consulting. Skilled in PETREL and Oasis Montaj, with proven leadership and tutoring experience. Recognized for top academic performance and leadership excellence, with a passion for applying geophysics to energy, environmental, and engineering solutions.

Key Skills

- Geophysical Software: PETREL, Oasis Montaj
- Aeromagnetic Data Interpretation & Mapping
- Leadership & Team Coordination
- Academic Consulting & Tutoring
- Public Speaking & Presentation
- Administrative & Digital Literacy

Experience

Administrative Officer – Adamspringe Computer Based Center (Jan 2024 – Mar 2024)

- Coordinated student registrations and managed records.
- Supported daily operations and CBT sessions.

Director of Operations – Megaminds Computer Institute (Mar 2020 – Jul 2021)

- Supervised training programs and instructors.
- Improved workflows through better administrative systems.

Academic Consultant & Tutor (Self-Employed) (2019 – Present)

- Tutored science students for WAEC, NECO & UTME.
- Consulted schools on exam strategies and academic improvement.

Education

B.Sc. Geophysics – Ekiti State University (2021 – 2025)

Top 5 Finalist, AAPG IBA 2024 | Coursework: Seismic Interpretation, Geophysical Mapping

Certifications

- Geophysical Software Training (PETREL & Oasis Montaj), 2024
- Microsoft Azure AI Fundamentals, 2022
- Microsoft Azure Fundamentals, 2022
- Cisco Cybersecurity Specialist (CCS), 2020
- Certified Business Professional (CBP), 2021
- Jobberman Soft Skills Training, 2021

Awards & Leadership

- Best Departmental President – 2025
- SUG Educational Consultant Award – 2022–2023
- Best Class Governor – 2021

Professional Memberships

- Society of Exploration Geophysicists (SEG)
- Nigerian Association of Petroleum Explorationists (NAPE)
- Nigerian Mining and Geosciences Society (NMGS)
