

NNAEMEKA VICTOR ONYEDIKACHI

Lagos, Nigeria | 09050345467 | victorkachi989@gmail.com

PROFESSIONAL SUMMARY

Detail-oriented and motivated Polymer Engineering graduate with practical industrial manufacturing and commercial experience. Combines technical expertise in polymer processing, factory operations, and quality control with proven commercial, sales, and administrative capabilities. Possesses strong analytical, mathematical, and computer research skills, alongside a track record in client engagement, inventory handling, and product distribution. Adaptable and eager to leverage cross-functional skills to add immediate value in entry-level engineering, operational, sales, and corporate roles.

EDUCATION

Nnamdi Azikiwe University — B.Eng. in Polymer Engineering

Graduated: 2025

PROFESSIONAL EXPERIENCE

Sales & Customer Relations Representative | Commercial Retail & Enterprise (Lagos, Nigeria)

2024 – Present

- Engaged directly with customers to understand product needs, drive sales growth, and deliver exceptional service.
- Managed daily sales records, inventory stock levels, and basic bookkeeping using Microsoft Word and digital tools.
- Coordinated product merchandising and promotional activities to maximize customer conversion and satisfaction.
