

OGUNOLA YUSROH OMOKOREDE

35, Jidah Market Road, Agbara, Ogun State
09048717717 | yusrohogunola@gmail.com
Date of Birth: 25th July 2004 | Gender: Female

PROFESSIONAL SUMMARY

Chemistry graduate (Pure & Applied Chemistry) with experience in quality control, laboratory operations and analytical testing. Skilled in quality assurance, sample preparation, laboratory documentation, GC-MS analysis and Liquid-Liquid Extraction (LLE).

PROFESSIONAL EXPERIENCE

Eko University of Medicine and Health Sciences — Laboratory Technologist (Sep 2025 – May 2026)

- Managed laboratory operations and coordinated practical sessions.
- Maintained laboratory records and equipment.

Primera Food Nigeria Limited — Quality Control Inspector (Jul 2024 – Jun 2025)

- Conducted quality inspections and documented findings.

Eko Supreme Resources Nigeria Limited — Quality Control Analyst (Dec 2023 – May 2024)

- Inspected raw materials and maintained quality documentation.

EDUCATION

Lagos State University — B.Sc. (Hons) Chemistry (Pure & Applied Chemistry), 2021–2024

RESEARCH PROJECT

PAHs Pollution in Leachate: A Case Study of Solous Municipal Dumpsite, Igando, Lagos, Nigeria

- Collected and prepared leachate samples.
- Performed Liquid-Liquid Extraction (LLE).
- Analyzed EPA priority PAHs using GC-MS.
- Interpreted analytical data and physicochemical parameters.

SKILLS

Quality Assurance • Quality Control • GC-MS • Liquid-Liquid Extraction (LLE) • Laboratory Analysis • Documentation • Microsoft Office • Teamwork
