PROFESSIONAL PROFILE

I am a professional Graphic Designer and Motion Graphic Designer with 4 years of experience, creating engaging, creative, and professional visual content. I specialize in developing brand identities, logos, presentations, promotional graphics, social media designs, flyers, and motion graphics.

I am passionate about turning ideas into visually compelling designs and have experience working with different brands and digital platforms. I have strong attention to detail, creativity, and the ability to deliver designs that effectively communicate a brand's message.

PROFESSIONAL EXPERIENCE

ZEDIFY

Motion Graphic Designer and Graphic designer.

Worked as a Motion Graphic Designer, creating engaging animations and motion graphics for digital content. I transformed concepts and ideas into polished visual content while maintaining consistency with the brand's creative direction. I also worked on creative projects that required strong visual storytelling, animation, and attention to detail.

BITGADGETZ

Graphic Designer

Worked as a Graphic Designer, creating professional and attractive visual content for the brand. My responsibilities included designing promotional materials, social media graphics, presentations, and other marketing content. I focused on creating designs that communicated the brand's message clearly while maintaining a consistent visual identity.

RAPID PUNTER

Graphic Designer

Worked as a Graphic Designer, producing creative visual content for the brand's digital platforms. I designed promotional graphics, advertisements, social media creatives, and other

branded materials. I focused on producing clean, engaging, and effective designs that captured attention and communicated information clearly.

EDUCATION: EKITI STATE UNIVERSITY

B.A. in Philosophy
