

OLADIRAN JAMES AJIBOLA

ELECTRICAL & ELECTRONICS ENGINEERING TECHNICIAN

Lagos, Nigeria | +234 706 693 3022 | +234 805 218 1945 | bigjammy001@gmail.com

PROFESSIONAL SUMMARY

Electrical and Electronics Engineering HND graduate with hands-on experience in electrical installation, wiring, solar PV systems, equipment installation, preventive maintenance and electrical fault diagnosis. Experienced in supporting residential, commercial and industrial projects, including inverter and battery systems. Safety-conscious, practical and adaptable, with strong teamwork, problem-solving and communication skills. Seeking an opportunity to contribute to a professional engineering, power, solar or maintenance team while continuing to develop technical expertise.

CORE COMPETENCIES

- Electrical Installation & Wiring
- Electrical Fault Finding & Troubleshooting
- Inverter & Battery Systems
- Electrical Testing & Inspection
- Electrical Safety & HSE Compliance
- Solar PV Installation & Maintenance
- Preventive & Corrective Maintenance
- Power Distribution Systems
- Equipment Installation & Maintenance
- Technical Teamwork & Communication

PROFESSIONAL EXPERIENCE

Uninetwork Tech Ltd. (Power & Solar) | Electrical / Solar Technician

Mar 2026 – Jun 2026

- Performed preventive maintenance and supported fault resolution on solar power systems to improve system reliability.
- Assisted with installation and maintenance of solar PV systems, inverters, batteries and related electrical components.
- Carried out basic electrical fault finding, repairs and routine maintenance on electrical and solar equipment.
- Diagnosed and resolved electrical and solar system issues under technical supervision.
- Collaborated with the technical team to deliver projects safely, efficiently and on schedule.

Kayola Divine Electrical | Electrical Technician

Mar 2020 – Aug 2021

- Carried out residential and commercial electrical wiring and installation works.
- Installed lighting systems, switches, sockets and distribution boards.
- Performed routine maintenance and basic fault diagnosis on electrical installations.
- Followed electrical safety procedures and applicable installation standards during field work.

Demanex Power Solution Limited | Industrial Training / Electrical Technician

Aug 2023 – Aug 2024

- Supported electrical installations, wiring and maintenance of power systems.
- Assisted with fault diagnosis, repairs and preventive maintenance of electrical equipment.
- Worked with senior engineers and technicians on installation and maintenance projects.
- Gained practical exposure to electrical equipment, maintenance procedures and workplace safety.

Works & Infrastructure, Alausa, Ikeja | SIWES Trainee

May 2022 – Aug 2022

- Gained practical experience in public infrastructure maintenance and workplace safety procedures.
- Supported troubleshooting and repair activities involving electrical systems.
- Participated in inspection and routine maintenance activities.

EDUCATION

Higher National Diploma (HND), Electrical & Electronics Engineering | Yaba College of Technology | 2024 – 2026

National Diploma (ND), Electrical & Electronics Engineering | Yaba College of Technology | 2020 – 2022
