PROFESSIONAL EXPERIENCE

Top Radio 90.9 — Broadcasting Trainee: Lagos State

July 2023 – January 2024

- Co-hosted a live and recorded a radio programme Market Africka with Murph engaging listeners, through discussions, interviews and interactive segments.
- I acted as a Producer on a live radio programme; Top Sports on Top Radio where I handled the console and jazzler allowing guests to call in the show and give their opinions about grassroots sports in the sporting sector of the country.
- Maintained professional communication and teamwork while working with presenters, reporters, producers, and other members on the broadcast team.
- I operated the Jazler automation system to schedule and queue songs for playback during programme breaks, which included monitoring scheduled songs and audio playback to maintain the programme's flow during commercial and programme breaks.
- Conducted research and prepared talking points, questions and discussion topic on a morning programme Ebeano Show with seth.
- Recorded and prepared vox pop responses for use in radio news and programme content.
- I also worked closely with presenters, producers, and other members of the production team to ensure smooth programme delivery.

Praxis Studios Digital Academy — Multimedia Trainee: Lagos State

October 2025 – December 2025

- Assisted in photography and videography for group practicals and outside assignment.
- Assisted with the use of slateboard to identify scenes, shots and takes and assist with audio-video synchronization.
- Gained hands-on experience in camera operation, visual storytelling and cinematography.
- Assisted in setting up cameras, lighting and audio equipment before productions.

Enterprise TV Media Nigeria LTD — Broadcasting Trainee: Lagos State

August 2026 – September 2026

- Assisted with camera work, video production and other studio activities.
- Participated in news research, script preparation and content development.
- Prepared and delivered news scripts, headlines and breaking news on air.
- Monitored current affairs and emerging stories for relevant broadcast content.

PROFESSIONAL SUMMARY

A motivated Mass Communication graduate with practical experience in radio and television broadcasting, multimedia production, and news content development. Skilled in live programme production, scriptwriting, news research, camera operation, and audio-visual coordination. Experienced in working with broadcast teams, conducting interviews, engaging audiences, and supporting the smooth delivery of radio and television programmes. Eager to contribute strong communication, storytelling, and media production skills to a dynamic media organization.
