CAREER OBJECTIVE

Motivated and disciplined cybersecurity student with a strong passion for protecting digital systems and information. Currently undergoing structured cybersecurity training with practical exposure to network security, ethical hacking principles, and security awareness. Seeking an IT or cybersecurity internship opportunity to gain hands-on experience and contribute to building secure digital systems, especially within financial and institutional environments.

CORE CYBERSECURITY SKILLS

- Cybersecurity Fundamentals
- Basic Networking (TCP/IP, DNS, HTTP/HTTPS)
- Security Awareness and Safe Computing
- Password Security and Authentication Concepts
- System and Browser Security
- Risk Awareness and Threat Identification
- Linux and Windows System Basics

TOOLS & TECHNOLOGIES

- Nmap (basic network scanning)
- Wireshark (basic traffic analysis)
- Git and GitHub
- Windows 11
- Web Browser Security Configuration (Chrome & Firefox)

PROJECTS & PRACTICAL EXPERIENCE

Cyber Sense Hub – Cybersecurity Awareness Platform

- Participated in designing a platform to help students and small businesses detect phishing, scams, and social engineering threats.

- Contributed to solution design, including threat detection, analysis, and reporting.
- Focused on improving cybersecurity awareness through simple user-friendly explanations.
- Technologies discussed: HTML, CSS, JavaScript, Python, Flask, SQLite/MySQL, Git, GitHub.

AltSchool Cybersecurity Capstone Projects

- WPA/WPA2 security analysis using aircrack-ng in a controlled lab environment.
- Demonstrated password vulnerability using dictionary-based password attacks.
- Identified SQL Injection vulnerabilities in the DVWA lab environment.
- Studied secure coding concepts to prevent common web vulnerabilities.

FINANCIAL CYBERSECURITY INTEREST

Strong interest in cybersecurity within financial institutions, including protection of banking systems, fraud prevention, digital payment security, and safeguarding sensitive financial data. Committed to learning modern security practices that help financial organizations maintain trust, data integrity, and secure online transactions.

EDUCATION

University of the People (UoPeople)

Bachelor of Science in Computer Science — In Progress

Start Date: September 2026 – Present

AltSchool Africa — Cybersecurity Program (Ethical Hacking Track) | 2025 – 2026

Chris Flourish College — Senior School Certificate Examination (SSCE) | 2024

Chris Flourish School — First School Leaving Certificate | 2018

WORK EXPERIENCE

Cybersecurity Instructor – Accomplitech
Lagos, Nigeria || June 2026 – Present

- ❖ Designed and delivered introductory cybersecurity lessons covering cybersecurity fundamentals, networking, system security, threat awareness, and safe computing practices.
- ❖ Developed structured lesson plans and practical learning activities to help students understand cybersecurity concepts and industry practices.
- ❖ Introduced students to cybersecurity tools and technologies, including Linux, Nmap, Wireshark, and virtual lab environments.

- ❖ Guided students through cybersecurity projects and exercises, encouraging problem-solving and hands-on learning.
- ❖ Assessed students' understanding through assignments, projects, discussions, and practical exercises.

Educational Instructor – The Inspired Elites' Global Academy
Lagos, Nigeria ||October 2025 – Present

- ✓ Prepared lesson plans, instructional materials, class activities, and assessments to support effective learning.
- ✓ Taught and explained complex concepts clearly and practically, adapting teaching methods to different learning abilities.
- ✓ Monitored students' academic progress and provided constructive feedback to improve their performance.
- ✓ Managed classroom activities and maintained a positive, respectful, and productive learning environment.
- ✓ Assessed students through assignments, quizzes, projects, and class participation.
- ✓ Encouraged critical thinking, problem-solving, collaboration, and active participation during lessons.
- ✓ Supported students with additional guidance and clarification where necessary.

PERSONAL STRENGTHS

- Hardworking and disciplined learner
- Fast learner with strong curiosity for technology
- Detail-oriented and security-conscious
- Good team player
- Adaptable and eager to learn

PERSONAL DATA

Nationality: Nigerian

State of Origin: Ogun State

Local Government Area: Ijebu North

Religion: Christian

Marital Status: Single
