

# Oluwatobiloba J. Olakunle

Full Stack Developer | UI/UX & Cybersecurity

Ogun State, 112001, Nigeria

+234 9058120048 | tboad04@gmail.com gearup.ng | github.com/tboard20

## Professional Summary

Full-stack developer and founder of **GearUp.ng**, with **1 year of hands-on experience** building and supporting responsive web applications. Skilled in developing end-to-end solutions using **React** for modern frontends and **Django (Python)** for secure backend systems. Completed an internship at **NAJAT Tech Consulting**, gaining real-world experience collaborating on software development tasks and implementing user-focused solutions. Currently expanding backend expertise by learning **Node.js** to strengthen full-stack development capabilities. Passionate about UI/UX design, cybersecurity best practices, and building scalable digital products.

## Work Experience

Software Developer Intern — NAJAT Tech Consulting

During my internship at NAJAT Tech Consulting, I assisted in developing and maintaining responsive web applications using JavaScript, HTML, CSS, React, and Django. I contributed to implementing secure and scalable backend features while collaborating with senior developers to improve UI components and overall user experience. I also participated in debugging, testing, and optimizing application performance, gaining hands-on experience working on real client projects in a professional software development environment.

## Projects

As the founder and lead developer of GearUp.ng, I built a full-stack e-commerce marketplace for buying, selling, and swapping tech gadgets. I developed responsive, mobile-first interfaces using React and implemented secure backend services with Django/Python. I focused on delivering intuitive UI/UX designs, optimizing performance, and applying cybersecurity best practices such as secure authentication and vulnerability protection while managing the complete development lifecycle from concept to deployment.

## Skills

React, Django, Python, JavaScript, HTML, CSS, Full-Stack Web Development, UI/UX Design, Cybersecurity Best Practices, Node.js

## Education & Certification

### Software Developer Certification

At-Tibyan Tech Academy — Completed: December 20th 2025

### Secondary School Education

Hill-Top Brilliant Academy — Completed: August 19th 2024
