10 Onitana Street, off Bobolaji Johnson, Ikoyi, Lagos State

PROFESSIONAL PROFILE

Versatile and results-oriented professional with a National Diploma in Science Laboratory Technology and extensive practical experience across production management, sales, hospitality supervision, safety operations, storekeeping and inventory control. Demonstrated ability to supervise teams, coordinate daily operations, manage materials and stock, maintain quality and safety standards, and provide effective customer service. Reliable, adaptable, organized and committed to achieving operational targets in fast-paced environments.

CAREER OBJECTIVE

To obtain a challenging and rewarding position in a reputable organization where I can apply my experience in production management, sales, supervision, workplace safety, storekeeping and inventory control to improve operational efficiency and contribute to organizational growth. I seek to bring strong leadership, teamwork, discipline, problem-solving ability and a commitment to high standards, while continuously developing my professional skills.

CORE SKILLS

- Production planning, coordination and supervision
- Storekeeping, inventory control and stock management
- Workplace safety awareness and safety supervision
- Sales, marketing and customer relationship management
- Team leadership, staff supervision and coordination
- Quality control and operational standards
- Stock monitoring, documentation and reconciliation
- Customer service and effective communication
- Problem-solving, decision-making and attention to detail
- Time management and ability to work under pressure
