

PAULINUS NEBIEFE MIRACLE

Health, Safety & Environment (HSE) Officer | QHSES | IWCF Level 1
Lagos, Nigeria | +234 810 730 2999 | paulinus.miracle@gmail.com

PROFESSIONAL SUMMARY

Results-oriented Health, Safety & Environment (HSE) professional with practical experience driving safety compliance, hazard mitigation, and incident prevention in a fast-paced manufacturing environment. Demonstrated ability to improve workplace safety outcomes through structured inspections, proactive risk identification, and staff engagement.

Achieved measurable improvements in PPE compliance, hazard reporting accuracy, and safety awareness through consistent monitoring and collaboration with cross-functional teams. Equipped with industry-recognized certifications (ISPON, IWCF) and strong grounding in QHSES principles, with readiness to contribute effectively across manufacturing, construction, and oil & gas operations.
