WORK EXPERIENCE

Internal Audit Intern

Feb 2025– Dec2025

Nigerian Ports Authority | Marina, Lagos

- Assisted in 3+ internal fraud audit exercises across operational and finance units, identifying irregularities and policy breaches.
- Reviewed and analyzed over 250 financial transactions records and supporting documents detecting errors and potential fraud indicators.
- Supported risk assessments and internal control evaluations contributing to compliance monitoring with organizational procedures.
- Prepared over 5 audit working papers and summaries for senior auditors and management review.

Assistant Product Manager

Jan 2023 – Dec 2024

De Choice Furniture | Lagos

- Overhauled digital strategy, raising conversions from <35% to a significantly higher rate in just 2 months.
- Designed and executed sales-driven campaigns across Instagram and WhatsApp.
- Delivered a 72% increase in sales by focusing on personalized customer engagement.
- Monitored analytics to optimize performance and campaign ROI.

EDUCATION

B.SC ECONOMICS
University Of Calabar, Cross River State
2016 – 2023

ACADEMIC RESEARCH

University Of Calabar | Calabar, Cross River State

Research Project: Effects of Agriculture on the Nigerian Economy

- Conducted an empirical analysis of 10+ years of secondary economic data to evaluate agriculture's contribution to Nigeria's GDP, employment, and poverty reduction.
- Assessed major constraints to agricultural productivity including infrastructure gaps, limited financing, and climate risks and analyzed their effects on economic growth and diversification.
