

SAMSON BARTHOLOMEW

B.Sc (Hons) Pure Chemistry | Production Supervisor

Age: 25 | Tinubu Street, Lagos Island, Lagos State | samsonbartholomew66@gmail.com | +234 811 657 7748 / +234 907 383 1760

CAREER OBJECTIVE

B.Sc (Hons) Pure Chemistry graduate with hands-on experience overseeing daily operations in a laboratory/production setting, supervising teams, monitoring inventory, and enforcing quality standards and workplace safety protocols. Skilled in ensuring processes run efficiently and according to established procedures, and coordinating across departments to minimize delays and maintain smooth workflow. HSE Levels 1-3 and First Aid certified, with proven discipline in team supervision, process monitoring, and documentation. Seeking to bring a disciplined, quality-focused, people-oriented approach to a Production Supervisor role, supporting efficient daily operations and consistent product quality.

SKILLS AND COMPETENCIES

- ◆ **Production Operations Oversight:** Experienced in overseeing day-to-day operational activities, ensuring processes run efficiently and according to established procedures, and coordinating across departments to maintain smooth workflow.
- ◆ **Team Supervision & Coordination:** Skilled in supervising and coordinating teams, providing direction and support to ensure tasks are completed effectively, and promoting teamwork, discipline, and adherence to procedures.
- ◆ **Quality Control & Standards Compliance:** Proficient in monitoring processes to ensure activities consistently meet established quality standards, and identifying issues before they affect the final product.
- ◆ **Inventory & Resource Monitoring:** Experienced in inventory control, stock tracking, and resource management, ensuring materials and equipment are accurately accounted for and available for operations.
- ◆ **Workplace Safety & HSE Compliance:** HSE (Levels 1, 2 & 3) and First Aid trained; enforced safety protocols to ensure employees perform responsibilities efficiently and safely.
- ◆ **Problem-Solving & Attention to Detail:** Demonstrated ability to identify operational issues, exercise sound judgment, and resolve concerns promptly to keep production on track.

WORK EXPERIENCE

LABORATORY MANAGER & ACADEMIC INSTRUCTOR — MOMCA, Otutulu, Dekina LGA | 2025

- ◆ Supervised daily laboratory operations end-to-end, including inventory control, equipment maintenance/calibration, and enforcement of safety protocols and SOPs.
- ◆ Organized and supervised staff during hands-on activities, directing technique and monitoring operations to ensure consistent, quality-controlled results.
- ◆ Coordinated with the administrative team on procurement and planning, comparable to coordinating across departments in a production environment, while maintaining accurate records.

NYSC CORPS MEMBER — TEACHER — Denham Presbyterian Secondary School | Jul 2025 – Jul 2026

- ◆ Supervised and coordinated classroom activities across JSS1–SSS3, providing direction and support while collaborating with administration on planning.

AREAS OF EXPERTISE

- Production Supervision
- Team Leadership & Coordination
- Quality Control & Standards
- Inventory & Resource Management
- Workplace Safety (HSE)
- Process Efficiency & Workflow
- Scheduling & Coordination
- Reporting & Documentation

TECHNICAL SKILLS

- SOP Implementation & Monitoring
- Inventory & Stock Control
- Microsoft Word, Excel, PowerPoint
- Laboratory & Production Equipment Handling
- Data Entry & Reporting
- Team Scheduling & Coordination

CERTIFICATIONS & TRAINING

- Occupational & Environmental Safety (HSE) — Levels 1, 2 & 3, Our Growth International / World Safety Organization, 2026
- Basic First Aid Training, Nigerian Red Cross Society, 2025
- Certified Project Management Professional, Our Growth International, 2026
- Certificate of National Service, NYSC (Course of Study: Chemistry), 2026
- Certificate of Membership, Students Chemical Society of Nigeria (SCSN) — PAAU Chapter, 2023/2024
- Global Intensive Leadership Training, KAF Family, 2026

EDUCATION

B.Sc (Hons) Pure Chemistry

Prince Abubakar Audu University, Anyigba, Kogi State | Jan 2025

LANGUAGES

- English — Fluent (Written & Spoken)
- Igala — Conversational
