

TENIOLA OLAWANDE

Lagos | +234 701 766 9954 | olawandeteniola@gmail.com

PROFESSIONAL SUMMARY

Mass Communication graduate from Olabisi Onabanjo University with strong skills in broadcast communication, content creation, social media management, and media research. Gained practical experience in a radio broadcasting environment through an internship at Top Radio, with experience in news writing, script preparation, programme research, and studio operations. A proactive communicator with an interest in media, communication, and content-related roles.

EDUCATION

Olabisi Onabanjo University, Ago-Iwoye

Bachelor's Degree in Mass Communication | May 2023 – July 2026

WORK EXPERIENCE

Content Creator & Video Editor | Freelance

Lagos | July 2026 – Present

- Create and edit video content for individuals and church media activities.
- Edit videos for social media and digital platforms.
- Develop and adapt content ideas to suit different audiences.

Intern | Top Radio

Ikeja, Lagos | July 2025 – September 2025

- Assisted with news writing and script preparation.
- Supported radio production and studio operations.
- Conducted basic research for news and programmes.
- Worked with presenters and production staff during broadcasts.

RESEARCH PROJECT

Trainee Journalists' Perception of Citizen Journalism and Mainstream Media Journalism in Two Selected Media Studies Institutions in Ogun State

Olabisi Onabanjo University | 2026

- Researched trainee journalists' perceptions of citizen and mainstream media journalism.
- Examined credibility, ethical standards, and the influence of academic training on media evaluation.
- Found that citizen journalism complements mainstream media, while mainstream journalism remains more trusted for credibility and accuracy.
