WORK HISTORY

Programme Coordinator Emmviron Company Limited – Lagos, Nigeria	August 2025 to present
• Develop and manage detailed training calendars across all six LGAs, ensuring that sessions are aligned with the daily target of 300 participants per session and that each LGA meets its 5,000-participant quota. • Act as the primary link between Emmviron and Jobberman’s training team, coordinating facilitators’ availability, aligning session content, and ensuring smooth delivery of training activities. • Oversee and regulate participant registration and attendance to ensure compliance with mobilization targets and demographic requirements (ages 18–35, with 80% female participation). • Monitor training implementation daily, identify challenges affecting logistics or participant management, and provide timely reports to the Project Director and key stakeholders.	
Head of Operations Thirteen Universal Limited – Lagos, Nigeria	April 2025 to present
• Led operational strategy and growth, achieving a 25% year-on-year increase in student enrolments for local and international examination registrations through process optimization and targeted marketing. • Oversaw end-to-end client service delivery for university placements, coaching programs, and visa applications, maintaining a 98% client satisfaction rate through streamlined workflows and personalized support. • Developed and implemented standardized operating procedures for educational services, reducing service turnaround time by 30% while ensuring compliance with regulatory and institutional requirements. • Managed cross-functional teams and partnerships with educational institutions, embassies, and training bodies, resulting in successful placements in over 10 countries and expanded service offerings.	
Field Research Officer The Treasure Aquaculture and Fisheries – Lagos, Nigeria	July 2020 to present
• Studied market to determine optimal pricing of goods and capitalize on emerging opportunities.	

- Conducted over 10 target market research to scope out industry competition and identify advantageous trends.
- Developed strong partnerships with other businesses to allow for collaboration and more significant opportunities for growth.
- Secured sufficient funds to cover business obligations by tracking expenses and budgeting accurately.
