Finance Executive

Lagos, Nigeria.

Professional Summary

- Unconventional, inquisitive and detail-oriented graduate with a keen eye for numbers and finding solutions to complex problems.
- Proven expertise in developing a mature and responsible approach to tasks with and without supervision.
- Member of the Institute of Chartered Accountants of Nigeria (ICAN).
- Vast knowledge of recording, analysing and interpreting organisational financial data in diverse scenarios.
- Recent graduate of political science with interests in finance, data analysis and political matters.
- My goal is to use my experience and passion to get into and thrive in the finance space, while adding value in all my professional and personal encounters.

Work History

Zenith Bank PLC

December 2025-Present

Financial Reconciliation Analyst

- I reconcile Mastercard payable accounts and related GL accounts daily.
- I monitor and review daily settlement of On-Us and Remote-On-Us transactions.
- I identify and follow up on undebited cardholder transactions and recovery.
- I monitor CSP postings and resolve outstanding settlement entries.
- I investigate and resolve clearing, settlement, and reconciliation exceptions.
- I support financial reporting and account balancing through accurate reconciliations.
- I assisted in the recovery of over \$752,000 from identified transaction exceptions.
- I supported the deployment of reconciliation tools to improve operational efficiency.

SIAO Partners

April 2025-November 2025

Financial Risk Advisory Service (Semi-Senior Associate)

- I conduct thorough internal audits to identify areas of improvement, ensure compliance with regulatory requirements, and provide assurance on the effectiveness of internal controls.

- I develop tailored Internal Control over Financial Reporting (ICFR) proposals and COSO frameworks to aid management in assessing and improving their internal controls, ensuring accuracy and reliability of financial reporting.
- I actively review internal audit processes to identify opportunities for improvement, ensure adherence to auditing standards, and provide recommendations for enhancing audit quality.
- I provide expert financial risk advisory services to help clients identify, assess, and mitigate financial risks, ensuring informed decision-making and business sustainability.

**Sonia Foods Industries June
2024 – March 2025**

Account Executive

- I take an active role in creating sales orders, managing waybills, and generating sales invoices.
- I ensure accurate stock journal entries and oversee stock transfers.
- I efficiently handle the creation of local purchase orders and accurately enter goods received notes into the system.
- I leverage my expertise in Tally Prime to ensure seamless processing and maintain precision in all transaction.

**JOPA FOODIE
January 2024-May 2024**

Accounting Intern (Remote)

- I played a key role in preparing and presenting quarterly financial statements.
- Delivered comprehensive financial data and analysis directly to the manager.
- Detected and resolved financial discrepancies and errors to ensure accuracy in reporting.
