

UTULU FRANCIS CHINEDU

PRODUCTION SUPERVISOR | LEAN MANUFACTURING | MANUFACTURING OPERATIONS | QUALITY CONTROL

Ibafo, Ogun State, Nigeria • uchinedu001@gmail.com • 08141524898 • 07083410641

PROFESSIONAL SUMMARY

Lean-certified Production Officer and Industrial Chemistry graduate with progressive experience leading manufacturing operations, production supervision, and quality control. Proven experience supervising production teams of approximately 170 personnel, coordinating air freshener and soap manufacturing, and ensuring GMP/SOP compliance. Skilled in applying Lean Manufacturing principles to reduce waste, improve process efficiency, and drive continuous improvement across production lines.

CORE COMPETENCIES

• Lean Manufacturing	• Production Operations	• Manufacturing Processes
• Production Supervision	• Team Leadership	• Quality Control
• GMP	• SOP Compliance	• Process Improvement
• Production Planning	• HSE	• Documentation & Reporting
• Microsoft Word	• Microsoft Excel	• Problem Solving

CERTIFICATION

Lean Manufacturing Fundamentals — 2026

PROFESSIONAL EXPERIENCE

Production Officer | Stova Industries

November 2025 – Present

- Supervised daily production operations involving approximately 170 production personnel across shift operations.
- Coordinated air freshener and soap manufacturing to achieve production targets while maintaining quality standards.
- Prepared production reports and managed shift handovers.
- Worked closely with the Quality Control team to improve compliance and product quality.
- Ensured compliance with GMP, SOPs and workplace safety requirements.
- Supported continuous improvement initiatives to enhance productivity.

Quality Control Analyst | Saro Agrosiences Ltd.

February 2025 – November 2025

- Conducted inspections on raw materials, in-process products and finished goods.
- Performed product sampling, testing and documentation.
- Led routine quality inspections and strengthened GMP/SOP compliance.
- Investigated quality deviations and implemented corrective actions with production teams.

Supervisor | Glo Dealer / Telecom Sales

October 2023 – December 2024

- Supervised daily sales operations and coordinated field personnel.
- Monitored team performance and prepared operational reports.
- Resolved customer concerns and supported service delivery.

Maintenance Personnel | Western Metal Products Company (WEMPCO)

January 2023 – October 2023

- Performed preventive and corrective maintenance on manufacturing equipment.
- Assisted with troubleshooting to minimise downtime.
- Supported safe and reliable production operations.

Operations / Production Assistant | SICS Interior Decoration & Furniture

December 2021 – November 2022

- Supported daily production activities and material preparation.
- Coordinated workshop operations and monitored inventory.
- Maintained quality standards during production.

Processing Department — Internship | Boulos Enterprise Ltd.

April 2020 – December 2020

-
- Assisted in day-to-day processing and production activities according to established procedures and specifications.
 - Supported preparation, handling and processing of raw materials and monitored production activities at different stages.
 - Assisted with in-process quality checks to ensure products met required quality and operational standards.
 - Observed processing equipment operation while adhering to safety and standard operating procedures.
 - Assisted in identifying process deviations and reporting abnormalities to supervisors for corrective action.
 - Maintained accurate production and processing records, including material usage, process observations and output information.
 - Worked closely with production and quality personnel to ensure smooth workflow and minimise process-related issues.
 - Followed GMP, workplace safety requirements and proper housekeeping procedures.
 - Assisted with cleaning and preparation of processing areas and equipment to maintain hygienic and efficient production conditions.
 - Gained practical knowledge of industrial processing, quality control procedures, equipment handling, documentation and production workflow.

EDUCATION

B.Sc. Industrial Chemistry — Delta State University, Abraka (2016–2021)

WASSCE — Select International Schools (2015)
